

Advanced Placement Mathematics Enrollment Form

Student: _____ (please print)

Indicate which Advanced Placement (AP) course you wish to enroll in for the 2017/2018 school year.

| Choice | Course Code | Course Title | Grade Level |
|--------|-------------|-------------------------------------|-------------|
| | MCR3UR | Pre-AP Functions, Enriched | 11 |
| | MHF4UR | Pre-AP Advanced Functions, Enriched | 12* |
| | MCV4UR | AP Calculus & Vectors, Enriched | |

* Students should enroll in both MHF4UR and MCV4UR in Grade 12

State your approximate mark in math courses you have completed

| Final Mark* | Course Code | Teacher |
|-------------|----------------|---------|
| | MPM1D / MPM1DE | |
| | MPM2D / MPM2DE | |
| | MCR3U / MCR3UR | |

*If you are currently taking one of the above courses, write "in progress" instead of a final mark

Write a brief statement of intent as to why you want to enroll in Advanced Placement courses.

Respond truthfully to each of the following statements by circling the appropriate number

| What I would say.. | Statement | What my teachers would say.. |
|--------------------|--------------------------------|------------------------------|
| 1 2 3 4 5 | I am highly motivated | 1 2 3 4 5 |
| 1 2 3 4 5 | I can learn independently | 1 2 3 4 5 |
| 1 2 3 4 5 | I manage my time well | 1 2 3 4 5 |
| 1 2 3 4 5 | I am interested in mathematics | 1 2 3 4 5 |

(1: strongly disagree, 2: disagree, 3: neither agree nor disagree, 4: agree, 5: strongly agree)
