### 2018-19 Parents Reaching Out (PRO) Grants for School Councils - APPLICATIONS NOW!

We know that good schools become great schools when parents are involved in their children's learning and well-being. Ontario's PRO Grants are designed to support parents in identifying barriers to parent engagement in their own community and developing local solutions to address these barriers in support of student achievement, human rights and equity, and well-being. Your School Council can now submit an application at <http://education.factorial.ca>. **The application deadline is Tuesday, June 5, 2018 11:59 p.m. EST.**
