

STUDENT REPORT May 8, 2018

by CALEB RAMSAY

This Friday, May the 4th, was the Oscars which were run by student council. This event is normally one of the biggest of the year, and that was the case this time around with a total of 210 tickets being sold. As a part of the event awards were presented to a winner, chosen through voting from a group of nominees. Some of the categories included: The Stephen Hawking award, best dressed and most likely to win a real Oscar. Other parts of the event included free food and drinks in the foyer as well as a photo booth.

Another thing that's coming up at Borden is Relay for Life. Relay is a fundraiser for cancer research that happens annually. School's from everywhere in the country participate. Currently, students from SRB have raised close to \$10,000 and this number will increase greatly very soon as most of the fundraising takes place a few weeks before relay happens. This year, relay will be held on Friday, May 25th and will run from Noon to 10 pm, dinner will be provided. On the day of, students that are participating will leave class to go to the track. In past years, tents have been set up and the relay committee has prepared events such as a watermelon eating contest, human foosball and face painting.

Finally, the end of the year barbecue is coming up in June. This is the final event that will be organized by student council this school year. Details surrounding the barbecue will be decided in the coming weeks.
