Student Experiences

- *“I honestly just really liked this class and looked forward to it everyday and there isn't anything I would change to make it better. It was so much fun, thank you for this semester.”*
- *“I believe the certifications were definitely extremely helpful in helping me fulfill my chances of becoming a firefighter. Every trip we did I thoroughly enjoyed and it was so much fun in seeing the different environments.”*
- *“It's so fun! you get the opportunity to go on field trips, see things, learn things, talk to people who are actually in the field that you're interested in, and meet new people. I think this is the class that's helped me make the most friends since high school.”*
